DIRECTIONS TO STABLE MICRO SYSTEMS

BY ROAD

### Directions from the M25

Stable Micro Systems Ltd. is in Godalming to the South of Guildford in Surrey. The town lies approximately halfway between Heathrow and Gatwick airports, to the South-West of London.

From any direction all major motorways and main roads connect with the M25, the orbital motorway around London. Join the M25 and then take the most convenient direction (clockwise or anti-clockwise) towards Junction 10 and take the A3 towardsPortsmouth.

Shortly after passing Guildford, take the B3000 which is signposted to Godalming.

After approximately 2 miles on the B3000 take the A3100 and follow this into Godalming.

On entering Godalming switch to the detailed map below.

Directions from the A3

Leave the A3 at the exit signed Compton. This will lead you on to the B3000. Follow the B3000 through Compton until you reach a roundabout with Guildford Crematorium on the right hand side. Turn right at the roundabout on to the A3100, following the signs for Godalming. As you travel along the A3100, there is a Citroen car dealership and then The Manor Inn on the left hand side. 500m on the left is a car garage, which is immediately preceded by a turning. Turn left here on to Catteshall Road. Follow the road, cross over the canal, and 400m on the left is the turning for Lammas Road. Turn left in to Lammas Road and follow it through the houses for 300m. Vienna Court is on the right. If the car park is full then park on Lammas Road itself. The main entrance is on the other side of the building from the car park entrance.

BY AIR

Stable Micro Systems Ltd is in Godalming to the south of Guildford in Surrey. The town lies approximately 40 miles from both Heathrow and Gatwick Airports. We do not recommend flying into Luton or Stansted airports, as connections to Surrey are complicated.

From Heathrow Airport

Luxury coaches provide a direct link from Woking rail station to Heathrow Airport. Woking Railair coaches operate every 30 minutes and take just 40 minutes for the journey. The single fare is from £10.50, a day return is from £13.50 and a period return is from £21.00.

The Railair coaches pick up at the Arrivals level of Terminals 1, 3 and 4; at Departures level for Terminal 2. Coaches set down passengers at Departures level of each terminal. To pre-book tickets call 0845 6000 650.

Tickets for the coach only are available from the Bus and Coach Information Desk in Terminals 1, 3 and 4 or on the coach at Terminal 2. Combined bus and rail tickets for all Railair services can be purchased at the Bus Coach and Train Information Desk in Terminal 1 or at most rail stations.

From Woking Station, take a South Western Railway train calling at Godalming Station. Stable Micro Systems is 5 minutes by taxi from Godalming Station. For train timetable information, visit https://www.southwesternrailway.com/

From Gatwick Airport

South Western Railway runs a service from Gatwick Airport to Godalming. The journey takes approximately 1 hour. Stable Micro Systems is 5 minutes by taxi from Godalming Station. For train timetable information, visit https://www.southwesternrailway.com/

_____

BY TRAIN

South Western Railway operates the rail network covering the South West of England. London Waterloo is the hub of the network, and also home to London Underground; the St Pancras International terminal for Eurostar services to Paris and Brussels via the Channel Tunnel connects to Waterloo via the Northern Line.

Take a South Western train calling at Godalming (it may be necessary to change trains at Guildford Station). Stable Micro Systems is 5 minutes by taxi from Godalming Station. For train timetable information, visit https://www.southwesternrailway.com/
